Civil Action #WMN-02-2147

JOINT MOTION TO AMEND SCHEDULING ORDER

Eric Williams t/o/u and t/u/o Mayor & City Council of Baltimore City through his attorney Mark E. Herman, and H.D. Industries, Inc., through its attorney, Robert H. Bouse, Jr., move jointly to amend the Scheduling Order entered by this Court on June 28, 2002, and for reasons therefore, say:

1. That after the Court's Scheduling Order of June 28, 2002, there was litigation between Eric Williams and Mayor and City Council of Baltimore in a workmen's compensation claim entitled WCCB-479322. An award has just been issued in that case on November 30, 2002. The appeal period is still pending.

2. The parties could not proceed with discovery due to the fact that issues being raised in the workmen's comp and total award would effect the discovery including experts reports in accordance with future loss of earnings, life care and expert issues. As a result, the parties have not been able to complete and move forward in this case until the ruling by the Workmen's Compensation Commission and all hearings having been concluded thereon.

3. The parties request the following amendment to the Scheduling Order with the Court's Consent:

Plaintiff's Rule 26(a)(2) Disclosures re experts	February 3, 2003	
Defendant's Rule 26(a)(2) Disclosures re experts	March 3, 2003	
Plaintiff's rebuttal Rule 26(a)(2) Disclosures re experts	March 21, 2003	
Rule 26(e)(2) supplementation of Disclosures and responses	April 14, 2003	
Discovery Deadline: Submission of Status Report	July 31, 2003 May 30, 2003	} WMN
Requests for Admissions	August 8, 2003 June 6, 2003	
Dispositive Pretrial Motions deadline	September 2, 2003 June 27, 2003	

No trial date had been set in this case by the Court and now that the corresponding litigation in the Workmen's Compensation Commission is terminated, the case can proceed in an expeditious fashion.

WHEREFORE, having shown good cause for the amendment to the Scheduling Order, the parties request the Court to so order the amendment as agreed upon.
